obber friends at the Hole in the far into the mountain country where every other house is a guntaling house, and every other one a plain

come in off the hear that he is flying high demand mijoining the green spots, at and eat everything in sight, so year the people get up a rabbit dollar, and is looked upon as a great and go out in the night by the d. on horseback, and surround to have this kindly old man visit us. untry for ten miles or so, and at and by his example of the Golden Rule towards a corral, to do to others as you would be don shere theusands of rabbits are driven a and slaughtered with clubs. The nen ride close together, with docs, not no suitly rabbit can escape. For thought it would be a picnic, and a way went along but to without the business of competitors by poisoning their wells, or freezing them out of business. If any other train, robbers want to do to others as you would be done by, make us contented with our lot. We are not the kind of business mean who try to ruin the business of competitors by poisoning their wells, or freezing them out of business. If any other train, robbers want to do to others as you would be done by, make us contented with our lot.

o we went along, but pa wishes that he ad let well enough alone and kept out I the rabbit game. Those natives are ill of fun and at the same rights that we have, and the world to fun and at the same rights that we have, and the all of fun, and on these rabbit drives hey always pick out some man to ave fun with, and they picked out pase the victim. We rode along for a haple of hours, flushing rabbits by the seen, and they would remarks and freeted load of buckshot in our latest raid, which heckshot were and they would run along ahead vaid, which buckshot were so ably re of us, and multiply, so that when the moved from his person by our distin erral was in sight ahead the prairie guished friend who is so soon to leave after having engaged fudians, cowboys, was slive with long cared animals, so loving and highway robbers to the earth seemed to be moving, and it

in the town over our arrival, 'cause if he was afraid and wanted to go Pa had looked over the money the a politician and had fought in hot not have to divide robbers had given him, to throw it campaigns, had hunted tigers and and if you refuse to

federate money, and the rest collined west to some mass and the such as they got ready, and they would ton in the eart. For only the colline having got hold of it in the sind him in the game till the curtain from the great corporations who have back, brought it alone. For burned was rung down.

That was what they wanted parto bring sorrow and sadness to the poor them he got stock on the colline was the best of the poor and burner. No matter that the colline was the bring sorrow and sadness to the poor and burner.

said he would stay there a few days suggested that he get on to a fresh and rest up, and incidentally break a horse, and pa said all right, they

Monte Carlo.

I tensed pa to take the first train for home, so we could join the circus before it closed the season, and he could report to the managers the result of his business trip to the west, but passif he had heard of a man who had a herd of buffalo on a ranch not far from that town, and before he returned to the show he was going to buy a hord.

I noticed that there was no bit in the going and the school in the going around the could happen to pa. I told him he and i better dismount, and climb a measure the result of his business trip to the west, but passif he had heard of a man who had a herd of buffalo on a ranch not far from their victums, I was accept that I am an hosorary member of this organization of honest, straight forward, conscientious hold-up men, who would rob only the rich and divide with the poor, and I hope some a mafe place.

Passid: "Not on your life; your paths town, and before he returned to the show he was going to buy a hord of buffalo on a ranch not far from their victums, I was accept that I am an hosorary member of this organization of honest, straight forward, conscientious hold-up men, who would rob only the rich and divide with the poor, and I hope some a mafe place.

Passid: "Not on your life; your paths amongst the tag game, the delining such overtures, a little bit of furniture juggling followed that provided parlor exercise and amosament for all assembled. When quiet was restored Mr. Porkard town, and before he returned to the going and it is going right amongst the tag game, and is going right amongst the tag and the conscientions hold-up men, who would nob only the rich and divide with the poor, and I hope some that town, and before he returned to the going for the pony's mouth, but only a rope around the pony's mouth, but only a rope around the pony of the pony of this pony of the pony of th

He is a capole, honest fellow, and it is only a atter of a very little while before ure to have his salary advanced he stays in the place. Men who money are hunting for men who brains and honor.

You see, gentlemen, I am on the but for a wholesale dry goods firm. so, and that was a good long while a young boy also got a job there, had just come over from workin a linea factory in Ireland. He could play golf on his brogue. He tarted in the linen department of ar In a few years he had become nt buyer. To-day he has of the department and invests icliars every year. They trust him desciutely, and when they found he as made of the right stoff, his salary

Good Men in Demand.

"And we must not think for a moan so large that he cannot attend to all himself is hunting for a weakag for a buyer, for some fellow What he is looking for is men of t them into execution. When a man make a big success of it, he must must have the nerve to run his

or interest in the business. Now, I know of one retail firm which was composed of three brothers. For many years two of the brothers bought the goods; one of them died, and another was sticken, with naralysis. The third years two of the brothers bought the goods; one of them died, and another was stricken with paralysts. The third brother, who had been the effice man of the firm, tried to hire men to take their places. The firm came very near going broke. One department would be nearlected and another would be over-bought. He shifted around and found men to run the departments to whom he sold a reasonable amount of the company's stock. The department would be nearlected and another would be nearlected and another would be nearlected and another would be core-bought. He shifted around and found men to run the departments to whom he sold a reasonable amount of the company's stock. The department had increal along and paid a satisfactory profit. This young fellow saw his chance. He was offered over a hundred thousand dollars worth of silks to meak that time. He did not ask anybody a question, but bought the stuff. It was such a large transaction that the head of the bouse came to him and was very much alarmed. That fellow had nerve enough to say to the old gentleman: You put me in this department to run it. I took this to mean that if I had any brains I was to make the buyers and in full charge at that time. He did not ask anybody a question, but bought the stuff. It was such a large transaction that the head of the bouse came to him and was very much alarmed. That fellow had nerve enough to say to the old gentleman: You put me in this department to run it. I took this to mean that if I had any brains I was to the old gentleman: You put me for this stuff. The stuff is the was offered over a hundred thousand dollars worth of silks in one lot at a greatly reduced price the was the buyer and in full charge at that time. He did not ask anybody a question, but bought the stuff. It was such a large transaction that the head of the bouse came to him and nerve done had a solidary and provided the was a transition.

"That fellow then went to the ad-The same thing holds good in the bought a hundred thousand dollars egest manufacturing concern in this worth; spend \$5,000 in advertising The hyad of this establishment agree to invest a hundred thousand dollars for his firm and back it with who buy the materials for his factory good selling methods, was exactly the
